

*To Those I Love And Those Who Loved Me*

*When I am gone, release me – let me go*

*I have so many things to see and do.*

*You must not tie yourself to me with tears*

*Be happy that we had so many years. I gave you love,  
you can only guess, how much you gave me in happiness.*

*I thank you for the love each have shown,*

*but now it is time I travelled alone.*

*So grieve awhile for me if grieve you must,*

*then let your grief be comforted by trust.*

*It is only for a while that we must part  
so bless those memories within your heart.*

*I will not be far away, for life goes on.*

*so if you need me, call and I will come.*

*Though you cannot see or touch me, I will be near*

*And if you listen with your heart, you will hear*

*All of my love around you, soft and clear.*

*Then when you must come this way alone,*

*I will greet you with a smile and say “Welcome Home”*
